

**KPMG is a global network of professional firms providing Audit, Tax, and Advisory services. We operate in 156 countries and have more than 152,000 professionals working in member firms around the world. With more than 1,000 employees KPMG in Luxembourg's approach to relationships and service delivery is designed to help clients exploit new opportunities, improve performance and manage risk.**

To support our growth, KPMG in Luxembourg is currently seeking:

## **Tax Accountants (m/f)**

Starting in September 2014

(Ref.: 0573)

### **Your Challenge**

As part of a team of Tax Accountants and Tax Advisers, you will work closely with our experienced consultants and have extensive contact with colleagues worldwide. Your main tasks will be to prepare VAT and corporate tax returns for our national and international clients, within a multicultural team of young dynamic professionals.

### **Your Opportunity**

Tax is a fast-growing area of KPMG's professional services and this is your opportunity to be at the nerve centre of a client's business. You will gain knowledge through our structured training program, tailored to meet your individual requirements and also by working alongside experienced colleagues all of which will enable you to develop the required level of expertise and allow you to work independently.

### **Your Profile**

You hold a university degree (Bac+2) in Accounting or equivalent 2 years' High-School qualification. You are organized and confident in your ability to deliver the expected level of service to our clients. You are flexible and open minded in your work approach and display a positive and enthusiastic attitude. You believe in continuously learning to improve and develop your skills and are interested in developing your career with a leading international tax firm. Fluency in English and French and/or German is required. (Luxembourgish will be considered an advantage)

### **Interested?**

Want to have an international career in a dynamic European financial centre? If so, please apply online:
